

Bulk Sales Discount

Riders and organizations can now purchase 25 or more SunGO 1-Day Tickets in bulk at a discounted rate.

The cost of the bulk SunGO 1-Day Ticket will be \$3.75, a discount of \$0.40, which waives the ticket fee of a new ticket.

To purchase the passes in bulk:

- All bulk sales purchases will be done by phone. Call Tod Noble at Sun Tran at (520) 206-8880 and request to purchase bulk discounted passes.
- All organizations/individuals wishing to purchase 1-Day Tickets at the bulk rate must first sign a Bulk Discount Agreement.
- If there is no agreement on record at Sun Tran, one will be sent to the organization/individual by email to sign. Once received by Sun Tran, the organization/individual may call back to complete the purchase.
- Passes may be paid with a credit card over the phone. Organizations/individuals paying by check must provide the check in full when picking up the order.

The discount will be offered for a six-month period between August 15, 2017 and February 15, 2018. Sun Tran will evaluate the success of the program and could decide to extend the discount for an additional time period.

Before purchase, please note the following:

- Does not apply to passes loaded to a SunGO Card or SunGO ID & Card, since there is no ticket fee associated with the cards.
- Only applies to the full fare SunGO 1-Day Tickets. Does not apply to any other pass or to recharges to existing SunGO 1-Day Tickets.
- Selling these passes for a profit is **STRICTLY PROHIBITED**. Any individual or organization purchasing tickets at the bulk rate is required to sign an agreement and abide by all restrictions.
