One of the main obstacles to using an alternative mode of transportation for commuting is the fear of being stranded at work without transportation. What happens when your child is sick at school or your boss asks you to stay late to finish a project and you don't have a car? Pima Association of Governments and Sun Tran provide Guaranteed Ride Home for just these types of situations. Guaranteed Ride Home offers a free voucher for taxi service for registered commuters when there is an emergency or unexpected overtime.

**How do I qualify for Guaranteed Ride Home if I carpool, vanpool, bike or walk to work?**

- You must work and live in Pima County
- You must work for a Travel Reduction Program employer or an employer that is voluntarily promoting alternative transportation at the worksite
- You must use an alternative mode of transportation at least two times a week
- You must register your commute at [www.884ride.org](http://www.884ride.org)
