3-DAY PASS AND \$25 FOR \$20 PROGRAM BECOME PERMANENT FARE OPTIONS

TUCSON, Ariz. – Tucson-area transit users can now buy a 3-Day Pass and add \$25 for \$20 onto a SunGO Card. Following feedback and comments from public input meetings, the Mayor and Council approved both programs in order to offer riders additional options when purchasing transit fares.

The 3-Day Pass provides passengers unlimited rides on Sun Link, Sun Tran and select Sun Shuttle routes for 72 consecutive hours after activated on transit vehicles, and offers an alternative to the current 1-Day and 30-Day pass options. The 3-Day Pass costs \$10 (\$11 total when loaded on the GoTucson Transit app or \$12 total when including the cost of a new SunGO Card).

With the \$25 for \$20 program, passengers can load \$25 to a new or existing SunGO Cards and pay only \$20. And when paying at the farebox with money loaded to a SunGO Card, full-fare passengers are charged a lower rate than if paying with cash. There is a \$2 processing fee for new SunGO cards.
