SUN TRAN DELIVERS ON-TIME PERFORMANCE AND ACCIDENT SAFETY

Over 93% of all bus trips arrived on-time and accident rate beat national average

TUCSON, Ariz. – Sun Tran is proud to deliver an impressive performance of on-time trips and accident safety, in addition to operating a quality fleet of buses. Sun Tran strives to continue meeting these goals and provide a reliable, safe, and frequent service for all passengers. Read Sun Tran’s achievements below:

- **On-Time Performance:** July 2019 marked the third straight month that Sun Tran’s On-Time Performance exceeded 93%. This signifies that over 93% of all Sun Tran bus trips arrived within the acceptable range of the scheduled time (no more than 5 minutes late or 1 minute early). See the Sun Tran’s monthly results in the table below:

2019	On-Time Performance (%)
July	94.8%
June	95.0%
May	93.7%

- **Preventable Accident Frequency Rate:** Last fiscal year, Sun Tran had a Preventable Accident Frequency Rate of 0.55 accidents per 100,000 miles, which is far below the national average of 0.90 accidents per 100,000 miles. This low accident rate has made Sun Tran one of the safest public transit systems in the country.
- **Bus Fleet:** Sun Tran currently maintains a fleet of 237 buses, that average 7.8 years old. All buses run on cleaner burning fuels to help protect the environment, utilize low-floor design for easy boarding, and feature clean and comfortable interiors.
