2019 ALL SOULS PROCESSION TRANSIT SERVICE

Additional Sun Tran Service from Downtown and Extended Sun Link Streetcar Service

TUCSON, Ariz. – Sun Tran will provide additional service to Route 22 for those participating in the All Souls Procession on Sunday, November 3. Regular service for Sun Tran Route 22, which serves Grande Ave., will be detoured around the procession path.

Due to the detour and anticipated high attendance, Sun Tran is providing additional bus service to the event, between 3:00-7:00 p.m. Buses will pick up passengers, every 10 minutes, next to the Ronstadt Transit Center (on 6th Ave/North of Congress St.). Buses will drop off passengers just north of the procession starting point (SE corner of Speedway Blvd. & Grande Ave.).

The procession is scheduled to begin at 6:00 p.m. and will conclude at the Mercado District.

Extended Sun Link Streetcar Service

Following the procession, participants can return to the downtown area by boarding the Sun Link streetcar at the Mercado District stop. Sun Link will extend service hours until 10:30 p.m. to ensure participants are able to return to their vehicles.

How to Purchase a Transit Fare

SunGO 1-Day Passes will be sold, at \$4.00 each, at the Ronstadt Transit Center prior to the event. These passes will provide roundtrip travel on Sun Tran and Sun Link. Passengers with stored value or a pass loaded on an existing SunGO Card or on the GoTucson Transit app can ride to and from the event.

Passengers are encouraged to plan ahead and purchase a SunGO Ticket, load a pass or cash value to a new or existing SunGO card, or download a pass on the GoTucson Transit mobile app before the event.

There are limited parking lot spots available at the gathering point (Grande and Speedway) and in surrounding neighborhoods. However, free street parking is available at 4th Avenue, Main Gate Square, and Downtown with easy access to Sun Link stops.
