**Pedestrian
Route (Stairs)**

The route is on the West side, paralleling the Santa Cruz River. It begins on Grande Avenue south of Speedway Boulevard, turns left on St. Mary's Road, then right onto Bonita Avenue.

Pedestrians will be able to take the Riverwalk route by exiting left from Bonita Ave before Congress Street. (Floats and others who do not want to tackle the stairs at Cushing Street will want to continue on Bonita to Congress Street to access the Finale Site.)

Together we will flow around the Garden of Gethsemane toward the Finale Site, situated between the river and the Mercado San Agustin.
